This system has been optimized for current browsers.

We recommend: For Windows users of the SNIS online abstract submission site, we recommend that you use Google Chrome 33 or higher. For Macintosh users of the SNIS online abstract submission site, we recommend Safari 5.0 or higher.

Other Supported Browsers: Mozilla Firefox 16 or higher, Internet Explorer 11.0 or higher

Presentation Categories

NOTE: Any abstract submitted may be accepted either for oral presentation or as a poster unless either the "Oral Poster Presentation Only" or "ePoster Presentation Only" category is chosen.

Abstracts should describe what attendees should know or learn after hearing/reviewing the presentation.

• Scientific Paper (Oral Presentation)

An oral presentation (5 minutes in length) that summarizes the details of original investigative research. Required abstract format: Introduction/Purpose, Materials and Methods, Results, Conclusion.

Scientific Paper abstracts may include one graphic file with a maximum of two images.

• Scientific Poster (Printed)

Once again this year, SNIS will hold oral poster sessions enabling attendees to ask questions of you about your work. A visual presentation of scientific studies that summarizes the details of original investigative research. Required abstract format: Introduction/Purpose, Materials and Methods, Results, Conclusion.

Scientific Poster abstracts may include one graphic file with a maximum of two images.

• ePoster (Electronic)

An electronic presentation of scientific studies that summarizes the details of original investigative research. Required abstract format: Introduction/Purpose, Materials and Methods, Results, Conclusion. Please note that these are interactive electronic posters, not PowerPoint presentations. Authors who are accepted for this ePoster format will have a secondary ePoster submission process with associated deadlines to display their work electronically in a searchable ePoster Viewing site.

ABSTRACT SUBMISSION INSTRUCTIONS

Abstract Submission Criteria

Text:

1. Published or previously presented works should not be submitted.
2. Submit abstract in one category only.
3. Format abstract text using headings required for submission category.
4. Maximum length: 500 words; Graphic file equals 100 words; Table equals 50 words.

Graphics – For each abstract submitted:

1. Only one graphic file with a maximum of two images is permitted.
2. Required Graphic file resolution is 300 dpi or greater.
3. Maximum size of printed file is 3 in. by 3 in.

Note: A submitted graphic that is larger than the required size will be reduced accordingly, which may significantly reduce the quality of the graphic.

4. Only jpg or gif formats are accepted online.

Important Information for All Abstract Submissions

1. *The Journal of NeuroInterventional Surgery* (JNIS) has first right of publication of papers accepted for presentation at the SNIS 15th Annual Meeting.
2. Presenters of accepted abstracts must register for the SNIS 15th Annual Meeting. Registration fees are required and not waived with acceptance.
3. Oral papers must be presented in digital format uploaded to our meeting server if accepted. (No personal PC or Mac may be used from the podium).

Please visit www.snisonline.org for more instructions on submitting abstracts.

AWARDS...

Once again this year, an award will be granted by the SNIS Foundation at the SNIS Annual Meeting for the best abstract presented by a fellow. All fellows are encouraged to submit their abstracts to be considered for this award. When submitting your abstract online, please check the appropriate box designating your interest in being considered for this award.

DEADLINE:

Submit your abstract online at
www.snisonline.org
no later than 11:59 pm (EST),
Monday, March 5, 2018.

Abstract Disposition Notification

Abstract disposition notification will be sent via email in May 2018 following peer review.

Health Insurance Portability and Accountability Act of 1996 (HIPAA) Compliance

By SNIS policy, the content of all educational presentations given at SNIS meetings must be in compliance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and U.S. Department of Health and Human Services regulations implementing this act. To comply with HIPAA regulations, patient confidentiality must be maintained in all educational presentations (oral, printed or electronic). Members of the SNIS Program Committee attend every presentation to monitor HIPAA compliance.

Promotion of Commercial Products

The Society of NeuroInterventional Surgery must ensure balance, independence, objectivity, and scientific rigor in all of its educational activities. It is an ACCME requirement that audiences at educational programs for which continuing medical education hours are awarded be informed of a presenter's academic and professional affiliations, and the existence of any significant financial interest or other relationship an author or co-author has with the manufacturer(s) of any commercial product(s) or services. Any such relationship must be disclosed.
