Submission topic areas are:

- Intracranial Venous Diseases
- CSF Leak/Hypotension
- Emerging Venous Diseases or Therapies

ABSTRACT SUBMISSION

Please send your abstract to Marie Williams Denslow at williams@snisonline.org by Wednesday, February 19, 2025. Authors are encouraged to submit abstracts early.

PRESENTATION CATEGORIES

NOTE: All abstracts will be accepted, but ordered for presentation by the program committee. Abstracts will be used to generate discussion among the attendees, so authors should be prepared to discuss their work. Scientific discussion and discourse are key for developing this field, and will be prioritized. As such, there may not be sufficient time for all abstracts to be presented.

Abstracts should describe the point or points to be discussed or learned by the attendees after hearing the presentation.

Scientific Paper (Oral Presentation)

An oral presentation (5 minutes in length) that summarizes the details of the research, case(s), concepts, or trial to be discussed. Required abstract format: Introduction/Purpose, Materials/Methods or Case, Results or Alternate Approaches if a case report, Conclusion.

Scientific Paper abstracts may include one graphic file with a maximum of two images.

ABSTRACT DISPOSITION NOTIFICATION

All abstracts will be automatically accepted, but each will be peer-reviewed and ranked for priority of presentation during the second half of each day.

Health Insurance Portability and Accountability Act of 1996 (HIPAA) Compliance

By SNIS policy, the content of all educational presentations given at SNIS meetings must be in compliance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and U.S. Department of Health and Human Services regulations implementing this act. To comply with HIPAA regulations, patient confidentiality must be maintained in all educational presentations (oral, printed or electronic). Members of the SNIS Program Committee attend every presentation to monitor HIPAA compliance.

Promotion of Commercial Products

The Society of NeuroInterventional Surgery must ensure balance, independence, objectivity, and scientific rigor in all of its educational activities. It is an ACCME requirement that audiences at educational programs for which continuing medical education hours are awarded be informed of a presenter's academic and professional affiliations, and the existence of any significant financial interest or other relationship an author or co-author has with the manufacturer(s) of any commercial product(s) or services. Any such relationship must be disclosed.
