About ERAS

The Electronic Residency Application Service® (ERAS®) program, developed by, with, and for the transition to residency community since 1996, helps 131 residency and fellowship specialties find their future workforce.

- July Fellowship Cycle – 59 Specialties (3,911 programs)
- September Residency Cycle – 54 Specialties (5,157 programs)
- December Fellowship Cycle – 18 Specialties (1,018 programs)

As a specialty society participating in the ERAS program, we learn from your input to continuously improve our selection tools and research, while you access numerous AAMC programs and comprehensive data that support your recruitment and workforce development.

ERAS Process

ERAS New Program Submission Form

The screenshot shows the 'ERAS New Program Submission Form' interface. At the top, there is a blue header with the AAMC logo and the text 'ERAS New Program Form'. Below the header, the title 'ERAS New Program Submission Form' is displayed. A paragraph of text explains that newly accredited programs must submit a new form if their specialty is not listed, and provides a link for 'ERAS Client Technical Support'. A note states that a new program submission may take 5-10 business days to process. A progress bar at the top of the form shows three steps: 'Program Info' (selected), 'Contact Info', and 'Verify'. The 'Program Information' section contains several fields: 'Program Name' (text input), 'Accreditation Body' (dropdown menu with a red border around the 'Select' option and a list of bodies including AOSME, CAST, RCPSC, and UCNS), 'Specialty' (dropdown menu), 'Accreditation ID' (text input), 'City' (text input), 'State/Province' (dropdown menu), and 'Zip Code' (text input).

Terms and Conditions for Use of the Electronic Residency Application Service: Designated Institutional Officials (DIO), and Training Program Users

You, a DIO, DME, and other training program staff user of the Programs Director's Workstation (PDWS) of the Electronic Residency Application Service® (ERAS®), provided by the Association of American Medical Colleges (AAMC), agree to the following terms and conditions regarding your access and use of PDWS.

These terms and conditions incorporate by reference the [AAMC Website Terms and Conditions](#), the [AAMC Privacy Statement](#) and the [AAMC Policies Regarding the Collection, Use and Dissemination of Resident, Intern, Fellow, and Residency, Internship, and Fellowship Application Data](#) (together, the "AAMC Privacy Policies"), and the PDWS User Guide.

The AAMC shall provide the ERAS services in a professional manner. Other than the foregoing, the AAMC provides the ERAS services "AS IS" and "AS AVAILABLE" without warranty of any kind whether express or implied, including without limitation, warranties of merchantability, fitness for a particular purpose and warranties arising from course of dealing or course of performance or as to completeness or accuracy of any information or data provided under the agreement. The AAMC does not warrant that the service will be secure, timely, error free, or uninterrupted. The AAMC is not responsible for the content, completeness, or veracity of data entered into the ERAS service, and you release the AAMC from any and all liability for inaccurate or incomplete information.

If you violate this Agreement or otherwise engage in conduct that the AAMC determines, in its sole discretion, impacts the integrity of the residency and fellowship program application and selection process, the AAMC may suspend or terminate your AAMC Account, including your access and use of the ERAS service.

It is the policy of ERAS to investigate discrepancies in the ERAS application as well as other materials submitted by or on behalf of an applicant; attempts to subvert the application process; and any irregularities that may occur in connection with application activities. Any such investigation will be conducted in accordance with the ERAS investigation policy ([attached policy](#)).

Your Roles and Responsibilities:

You understand and agree to:

- Review and accept the ERAS terms and conditions during the registration process and again at the beginning of each ERAS application season.
