

# SNIS is seeking a Chair of the YNIS Committee.

**The YNIS Chair serves as the liaison between SNIS trainees and fellows and the SNIS Board of Directors.**

As an invited guest to Board Meetings that take place 2-3 times per year, the Chair is able to share their unique perspective on issues facing the society as a whole as well as issues affecting current trainees and fellows/early-career neurointerventionalists. The Chair will also be responsible for recruiting other volunteer members for the YNIS Committee.

This is a two-year, volunteer position that is open to any fellow who is entering their final year of neuro-interventional training. A co-chair will be recruited next year for a two-year term to establish continuity. All candidates must be a Junior member in good standing with SNIS.

Please forward a current CV and a brief description on how you would use this position to support other young neurointerventionalists to [Portillo@snisonline.org](mailto:Portillo@snisonline.org).

The application deadline is Friday, August 15, 2025.
